Richland Parish, Louisiana	88

Net Migration: Placer's estimation for the amount of population moving into the market, minus the population moving out (positive value = gaining population, negative = losing population). To be factored into the Net Migration count, a panelist must have changed their home location for a minimum of 5 months.

Migration (outgoing): Placer's estimation for the amount of population moving from the market to other areas across the U.S.

Migration (incoming): Placer's estimation for the amount of population moving into the market from other areas across the U.S.
